

REMARKS

This is in response to the Restriction Requirement mailed May 21, 2009.

Applicants hereby elect Group I: claims 1-10, 28, and 29, drawn to a chemical compound, a pharmaceutical composition, and a process for preparing a chemical compound of formula (I).

Applicants further elect as a species the compound below:

7-(2-{3-[Chloro-(2-dimethylamino-ethoxy)-trifluoromethyl-phenyl]-ureido}-ethyl)-isoquinoline-3-carboxylic acid methylamide.

Each of the claims of elected Group I read on the elected species.

Applicants request rejoinder of the non-elected subject matter of the method claims of Groups II-IV, and will perfect this request when compound claims and the elected species are considered allowable. Applicants also reserve the right to file one or more divisional applications directed to non-elected subject matter.

Applicants respectfully request examination of the instant application on the merits.

CONCLUSION

Should the Examiner believe that anything further is necessary in order to place this application in better condition for allowance, the Examiner is requested to contact the undersigned at the telephone number listed below.

In the event that additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefore are hereby authorized to be charged to our Deposit Account No. 01-2300 referencing docket number 030863-00014.

Respectfully submitted,
